

Below are two testimonials from school superintendents whose schools participated in the **The Happiness Advantage | Orange Frog Workshop™**

"The Happiness Advantage really started for me when I saw The Orange Frog and the energy of the workshop. I have always been interested in positive psychology, but I was not aware of the impact it could have in my district. I thought, "this is something that we not only need in Flint, but we need in education." – **Dr. Lisa Hagel, Superintendent of Genesee Intermediate School District, Flint, MI**

"If you want to have a great school, you have to have a great culture. And happiness is the best place to start." – **Joel Pedersen, Superintendent of Cardinal Community School District, Eldon, IA, 2020 Iowa Superintendent of the Year**
