

# TEENS AS TEACHERS

SOUTH DAKOTA YOUTH FOUNDATION INC.

## ABOUT US WHAT WE DO

The Teens As Teachers program provides a service-oriented, community based learning experience for you as a teenager/highschool student. The program trains you to be a teacher and mentor to younger students while earning a scholarship for post-secondary education.

## AN INVESTMENT IN YOU

*The Teens As Teachers program is provided at no cost to you as a student or your school. Training, Teaching Toolkit and Scholarship costs are underwritten by the South Dakota Youth Foundation, Inc. and its donors.*

### TRAINING

To be a Teen Teacher, you are required to attend Training which is both virtual and a face-to-face Training Summit. Training will prepare you in curriculum lessons, working with elementary students, and lesson planning and organization

### SERVICE

Following training, you work with an Adviser/Community Coach to develop a plan to teach curriculum lessons to elementary students in your local community. Lesson plans and a curriculum Tookit are provided for you.

### SCHOLARSHIP

Your scholarship is earned based upon completion of teaching, specified tasks and completion of a virtual portfolio. Requirements are determined by your Teen Teacher year/level.
